THE VENUE

Ginny's Lounge @ Brunswick Aces Distillery is an opulent cocktail lounge space that specializes in both alcoholic and non-alcoholic spirits and drinks to ensure everyone feels welcome in all social situations. From the moment you step inside you'll feel transported to a time of luxe and baroque extravagance.

We have 4 distinct spaces within the venue, each of which can be rented out separately or for larger functions the whole venue is available for hire.

- **Diamonds Event Space**
- **Main bar**
- **Private Dining Room**
- **Gin Garden** (outdoor)

We have no room hire fees, only minimum spend limits that vary on the room, day and time required. Spend is based on both food and drink, and starts at just \$500 during the week for the main bar.

MASTERCLASSES

Are you after something more unique for your next function? Let us treat you and your guests to some of our expertise and make it an event to remember with something to take home too.

DISTILLERY TOURS (30 MINUTES)

We are proud to be the first distillery in the world to produce all our blends in both alcoholic and non-alcoholic versions. We love to share our expertise into how we developed our process, equipment and our blends. Take a tour through our distillery and see for yourself.

\$25 per person (min 4 people, max 20 people)

COCKTAIL MAKING (45 MINUTES)

Our Gin blends are designed to be mixed and while we have a jigger in every lid to help you do this, we know there's no substitute for getting hands on behind the bar and letting one of our expert mixologists take you through two cocktails, in alcoholic or non-alcoholic of course. You'll even get to drink them afterwards.

\$50 per person (min 4 people, max 12 people)

CREATE YOUR OWN

CUSTOM GIN BLENDS (ALC & NON-ALC)

With increasing focus on responsible gifting, ensure your next corporate gift is inclusive by distilling your own custom blend with us, offering it in both alcoholic and non-alcoholic versions. Get your whole team involved in the process and the development of your unique blend with a complimentary team building day based around your new corporate drink.

Available for as few as 500 bottles.

READY TO DRINK CANS (ALC & NON-ALC)

If ready to drink cans are more your style and size, bring your team to create your very own pre-mixed, ready to drink cans. Learn about the process of distilling and blending your own recipe, then canning and labelling on site. Perfect for branded events catering or end of year gifting.

Available for as few as 80 cans.
